Financial aid eligibility is determined by the type of study abroad program you attend, as well as the type of financial aid you receive. Regardless of whether you receive financial aid for the term for which you are enrolled in a Study Abroad program, you must agree to the following terms in order to receive financial aid in any subsequent term after you return to LMU's Westchester Campus.

I understand that while I am enrolled in study abroad I am required to meet the same Satisfactory Academic Progress standards as students enrolled on the LMU campus. I understand that I must maintain a minimum of a 2.0 grade point average and complete at least 9 units that are transferable to my degree.

I understand that I am responsible for ensuring that an official transcript is forwarded to LMU's Registrar's Office upon completion of my study abroad program. Until these transcripts have been received, I understand that a hold will be placed on disbursement of financial aid for the next term of enrollment.

I understand that all courses that are intended to apply toward my degree and count toward my enrollment must be approved by the Registrar's Office through a Transfer Course Agreement.
