

## Second Satisfactory Academic Progress Appeal Form

Student Name  LMU ID 

--	--	--	--	--	--	--	--	--	--

You were placed on Financial Aid Probation due to not meeting the minimum Satisfactory Academic Progress (SAP) requirements. You provided a SAP appeal and an academic plan prior to being placed on your first Financial Aid Probation. You are on Financial Aid Satisfactory Academic Progress (SAP) status of "2DENY" because you did not meet the minimum SAP requirements/did not meet the academic plan requirements set by your academic advisor. You may submit a Second Financial Aid Satisfactory Academic Progress (SAP) appeal to be considered for a second and final Financial Aid Probation status.

I am submitting this Second SAP Appeal Form to regain financial aid eligibility for the semester indicated below:

Fall \_\_\_\_\_ (Year)       Spring \_\_\_\_\_ (Year)       Summer \_\_\_\_\_ (Year)

Federal regulations, which became effective July 1, 2011, require that your Financial Aid Satisfactory Academic Progress appeal contain the following elements:

- (1) the reason(s) why you have not maintained satisfactory academic progress, and why you did not meet the terms of your academic plan. Your second appeal cannot indicate the same reasons why you did not meet minimum SAP requirements in your first appeal. You should provide details on what was "new" and "different" when compared to your first appeal.**
- (2) what you intend to do to meet the satisfactory academic progress requirements by the end of your next term of enrollment.**

It is important that you explain your circumstances in detail. If your SAP problem developed over the course of several semesters, you must explain the circumstances for each term. **Generalized statements covering multiple semesters will not be sufficient for our consideration of your appeal.** Your academic plan must recommend coursework and required minimum grades that will allow you to meet the minimum SAP requirements after your term of enrollment.

### SECTION 1: SATISFACTORY ACADEMIC PROGRESS

Your appeal should address the conditions that resulted in you not meeting the SAP requirements. You may review the federal requirements as outlined on our website (<https://financialaid.lmu.edu/financialaidpolicies/>) and selecting the appropriate section as outlined below:

- [Maintaining Satisfactory Academic Progress for Undergraduate and Post Baccalaureate](#)
- [Maintaining Satisfactory Academic Progress for Graduates](#)

### SECTION 2: REQUIRED DOCUMENTATION

Please attach the following REQUIRED documentation.

- A current Academic Plan:** All SAP Appeals must include a current Academic Plan, dated within the last 60 days. You will need to schedule an appointment with your academic advisor who will assist you in mapping your educational goal and provide the tools you need to meet the minimum financial aid satisfactory academic progress standards. The required *Satisfactory Academic Progress Appeal Advisor Form* is available in the forms section of our website (<https://financialaid.lmu.edu/generalinformation/forms/>). Your academic advisor should submit the academic plan directly to LMU Financial Aid.
- Supporting Documents:** It is very important to attach supporting documents, such as a doctor's note or accident report, that support the circumstances in your appeal.
- Personal Statement:** You must explain your circumstances in detail, and how you plan to meet the minimum SAP standards moving forward. Your statement should address (1) the "new" and "different" reason(s) why you have not maintained satisfactory academic progress when compared to your first appeal, and (2) what you intend to do to meet the satisfactory academic progress requirements by the end of your next term of enrollment, as noted at the beginning of this form.
