

2026-2027 Family Size (Dependent Student)

Please use black or blue ink while filling out this form.

The law says that before awarding Federal Student Aid, we may ask to confirm the information you and your parents reported on your FAFSA. To verify that you provided correct information the financial aid administrator at your school will compare your FAFSA with the information on this form and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and at least one parent must complete and sign this form, attach any required documents, and submit the form and other required documents to the financial aid administrator at your school. Your school may ask for additional information. If you have questions about verification, contact your financial aid administrator as soon as possible so that your financial aid will not be delayed.

B. Number of Family Members

Family size includes the following:

- The student.
- The student's parents (or stepparent, if applicable), even if the student is not living with them. Exclude a parent who has died or is not living in the household because of separation or divorce. Include a parent who is on active duty in the U.S. Armed Forces apart from the family.
- The student's siblings if all of the following are true:
 - They live with the student's parents (or live apart because of college enrollment);
 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.
- Other persons if the following are true:
 - They live with the student's parents;
 - They receive more than half of their support from the student's parents; and
 - They will continue to receive more than half their support from the student's parents during the award year.

The provided criteria for "dependent children" or "other persons" mirror the requirement that family size align with those the parent could claim as a dependent on a U.S. tax return if the parent were to file a U.S. tax return at the time of completing the 2026-2027 FAFSA. As a result, the parent should not include any unborn children in the family size.

If more space is needed, provide a separate page with the student's name and ID number at the top.
