FEDERAL DIRECT PARENT PLUS LOAN REVISIONS

Please use this section to request changes to the **full-year principal amount** for your Federal Direct Parent PLUS Loan. Please note that origination fees will be deducted from the principal amount of the Federal Direct Parent PLUS Loan. Students enrolled in both fall and spring semesters will have their total loan amount for the year disbursed evenly between the two semesters.

I would like my Parent PLUS Loan to be increased to the maximum amount for which I am eligible. (Please note non-legacy borrowers are subject to a maximum annual Parent PLUS Loan limit of \$20,000 per dependent student.)

I would like to revise the principal amount of my Parent PLUS Loan from \$ _____ to \$ _____

I am requesting to increase my Parent PLUS Loan enough to cover my current account balance. (Please note that if you have an endorser you may be required to complete a new Parent PLUS Loan application. Non-legacy borrowers who submit this request may have limited eligibility for future semesters due to the annual loan limit of \$20,000 per dependent student.)

I certify I am the borrower of the loan listed above. I understand aid can be offered or adjusted only if funding and eligibility exists. I understand if I have requested an increase to my Federal Direct Parent PLUS Loan, this additional award amount is subject to a credit check. I understand that if my loan requires an endorser, the endorser will be required to complete a new Endorser Addendum, and I must complete a revised Master Promissory Note before my loan increase can be disbursed. I understand that a Federal Direct Parent PLUS Loan awarded up to an endorser amount cannot be increased, and I would be required to complete a new Federal Direct Parent PLUS application for additional funds. Revisions take 5-7 business days to process.
