

Summer 2025 Cal Grant Request Form

Student Name

LMU ID

If you are currently a Cal Grant recipient, you may request to have a portion of your 2025-2026 Cal Grant awarded to you for summer 2025. To request a summer Cal Grant, complete this form along with the LMU Summer Financial Aid Application.

In order to receive the full semester amount of your Cal Grant, you must be enrolled in a total of **12 units (combined Summer Sessions I and II)**.

*****If you are enrolled in fewer than 12 units, your Cal Grant will be prorated (9-11 Units = 75%, 6-8 Units = 50%, less than 6 units = 0%, not eligible to receive award).*****

Please note: The California Student Aid Commission (CSAC) considers the summer session a full semester of eligibility. By choosing to use your Cal Grant during the summer semester, you will reduce your total program eligibility by one semester. Most students are awarded 8 semesters of Cal Grant eligibility (if you enter the program as a freshman). By choosing to use your Cal Grant funds during the summer semester, you may not have enough remaining eligibility to assist with your tuition during your fourth year. You may verify your remaining Cal Grant eligibility online by creating an account on Webgrants for Students at <https://mygrantinfo.csac.ca.gov/>

I have read, understood, and accept the terms and conditions to receive a Cal Grant during the summer semester.
